

Why Go Solar?

What can solar do for you?

Solar energy is the #1 growing property improvement for property owners meeting the following qualifications:

- Property has adequate exposure to the sun
- Property owner qualifies for government solar tax credits
- Property owner lives in a community with freedom of choice (no HOA restrictions)
- Property owner qualifies for our special solar financing

Why Go Solar?

What can solar do for you?

Energy costs are like taxes – they never stop and are continually increasing.

➤ If your average power bill is \$200, then you'll pay ...

<i>Year</i>	<i>Annual Cost *</i>	<i>Year</i>	<i>Annual Cost *</i>
1	\$2,400.00	11	\$3,225.40
2	\$2,472.00	12	\$3,322.16
3	\$2,546.16	13	\$3,421.83
4	\$2,622.54	14	\$3,524.48
5	\$2,710.22	15	\$3,630.22
6	\$2,782.26	16	\$3,739.12
7	\$2,865.73	17	\$3,851.30
8	\$2,951.70	18	\$3,966.83
9	\$3,040.25	19	\$4,085.84
10	\$3,131.46	20	\$4,208.41

10-Year Total = \$27,513.31

20-Year Total = \$64,488.90

** assuming 3% annual power bill increases*

Why Go Solar?

What can solar do for you?

Solar energy is a limited opportunity. Property owners taking advantage of it and acquiring solar energy will see big financial benefits:

- Increased property values.
- Lowered energy costs.
